

SEPTEMBER NEWSLETTER

**Hello! And a big welcome to all our new
and existing Stourfield families.**

Who are the Stourfield PFA?

As a PFA, we work collaboratively with both schools to raise funds and provide the children with opportunities that will enhance their school life.

We raise funds for individual and shared school projects that support children's learning and development, improve school resources and facilities, and create positive experiences for pupils.

WE NEED VOLUNTEERS!

As a group, we are all working parents and we welcome involvement from all volunteers whatever their circumstances – parents, guardians, grandparents or friends. Volunteering your time is a really rewarding experience and can make such a difference in your child's school life.

Please get in touch with us via email if you can spare any time, have a skill/specialist subject area or if you have your own business or work for a business that match fund or donate.

FEEDBACK

A big thank you to those of you that completed our end of term feedback survey.

There were a few recurring questions so we wanted to answer some of these here:-

Why can't we get Paulton's Park tickets anymore?

Paulton's Park have stopped PTA/PFA's access to reduced tickets. We are looking into this further.

Why do the Infants and Juniors use different platforms to buy disco tickets?

Infants run their own discos and use Arbor to sell tickets. They keep the profits from their discos. Junior Discos are run by the PFA, so we use PTA Events to sell tickets as we separate to the school. Profits from Junior Discos therefore fund projects at the Junior School.

What payment methods do you prefer?

We accept cash, card and bank transfers. We do get charged for card transactions and banking cash, so buying tokens for the Christmas and Summer Fayres help us reduce the amount of cash we have.

Thank you for all your
feedback and questions
